Hamilton established
Central bank of U.S.

1791-1811 First Bank of U.S.

1816-1836 2nd Bank of U.S.

1791

Vermont became a state

the metric system of weights and measures was the creation of 12 scientists appointed by the French National Assembly. They picked the circumference of the earth measured on a line through the poles. They took a quarter of the meridian that passed through PARIS. Called it

10 million meters = 10,000 kilometers
thus $\frac{1}{40,000,000}$ of the earth's

circumference through the prob
Today it is defined in terms of
wavelength of light.

State.

Apr 23, 1791

James Buchanan was born in
Franklin Co. Penn. He later
became 15th Pres. of U.S.

Dec 15, 1791

The Bill of Rights went into
effect

Dec 5, 1791

Composr Wolfgang Amadeus
Mozart died in Vienna, Austria,
at age 35.

1791

Toussaint joined the slave revolt in Haiti (French Hispaniola), giving it leadership and organization during years of savage fighting and 3-way racial war between whites, blacks, and mulattoes. Eventually he joined his forces with the Spanish against the French; and as general, he defeated both English and Spanish

three. By then he had written back
to the French and became, alone
among the warring powers, the
government of France that officially
outfaced Norway.

Jan 10, 1791

Vermont, by Convention,
ratified the U.S. Constitution
and Congress on Feb 18, 1791
admitted that State into
the Union.

Dec 15, 1791

(1758-1794) ROBESPIERRE, MAXIMILIEN
MARIE ISIDORE

French revolutionist of Irish origin.

Born at ARRAS. On the death of MIRABEAU, he was recognized as revolutionary leader (1791). Was a member of the "Great Committee of Public Safety" (1793), and in this position he put to death many innocent men, and women, finally perishing on the guillotine himself. Robespierre was precise, austere,

and cement. This was to establish
a reign of justice.

(1755-1793) MARIE ANTOINETTE

Wife of Louis XVI of France. Youngest daughter of Emperor Francis I of Germany and Maria Theresa. Born at Vienna. Married the French dauphin (1770) who became king as Louis XVI. Her glib love of pleasure & indifference to public opinion and public needs, made her very unpopular and with the Diamond Necklace affair (1785) the nation lost faith in her. In the management of both foreign and internal affairs, her influence was unwisely exerted and when the

Notable met in 1787 the now accused of murdering the
Genovese. From the outbreak of the Revolution until he drank
the now the subject of the mob's hatred. In Oct. 1789, the
repeal foundly reviewed from Versailles to Toulon. More
planned the flight of June 20, 1791 to Varennes, a more
arrest only saved a confusion the charges brought
against her. At last (Aug 19/1792) accused the French army
of the Toulon, More doing all in his power to end the
being to meet to arms. This he refused to do, thinking
necessitate weapons and clothing & gun now taken
to the prison of the TEMPLE. In Jan 1793 he was
condemned to death. His trial occurred the following
Oct 1793 before the revolutionary tribunal. She was
condemned to death & guillotined the same day.
